

DEMOLITION REQUIREMENTS COMMERCIAL OR RESIDENTIAL BUILDINGS

- 1) Two site plans.
 - Showing parcel(s) with parcel number(s).
 - Indicate building locations with building address(es).
 - Indicate building type (ie: house, garage, shed).
 - Building square footage(s).
 - Heritage tree requirements:
 - Show heritage trees to be protected prior to demolition on site plan.
 - Provide detail of method of tree protection.
 - Provide two copies of arborist reports, if available.
 - For information regarding Heritage Tree Removal Permits contact the Parks Division at (650) 903-6326.
 - For information on regarding site and project development issues contact the Planning Division at (650) 903-6306.
- 2) BAAQMD acknowledgement letter. You can contact BAAQMD (Bay Area Air Quality Management District) at (415) 771-6000.
- 3) PG&E letter indicating gas and electric utilities have been disconnected. You can contact PG&E at (408) 725-3325.
- 4) Two traffic control plans, if working in the public right-of-way.
- 5) Two truck route plans.
- 6) Letter from the demolition company on their letterhead explaining:
 - Demolition timelines
 - Work hours
 - Dust and noise control measures
 - Method of demolition
 - Site security measures during and after work hours
- 7) Demolition permit processing turn around time is approximately 2 working days.

Note: If rental of a debris box is needed, please contact Foothill Disposal at (650) 967-3034 or City of Mountain View Public Works Department at (650) 903-6311. City ordinance requires debris boxes to be provided by Foothill Disposal, unless the contractor privately owns the box (es) and the debris is hauled by the contractors' employees.
